

Kentucky CSHP Program

Goals and Objectives

Suggested Indicators for *School Health Programs: Coordinated School Health Programs (CSHP) and Reduction of Chronic Disease Risks* are listed in italicized print below each objective.

Goal I: Strengthen collaborative partnerships to provide coordinated support to schools, communities, and local health departments in implementing a CSH plan.

Objective 1.1. By the end of the fiscal year the CSH Interagency Committee will have developed partnerships with at least five school districts.

Indicator: 25

Objective 1.2. By the end of the fiscal year the CSH Interagency Committee will have developed partnerships with at least three communities.

Indicator: 25

Objective 1.3. By the end of the fiscal year a CSH Interagency Committee Evaluation system (including at least two data collection tools and one data management system) will be developed.

Indicator: 25

Goal II: Increase the number of schools and school districts that implement effective policies, environmental change, and educational strategies to address PANT by increasing the number of schools and districts that implement coordinated school health programs.

Objective 2.1. By the end of the fiscal year one model school health policy will be distributed to 20% of Kentucky school districts.

Indicators: 6A-D

Objective 2.2. Each year an additional 10% of Kentucky schools and school districts implement CDC's eight-component CSH model.

Indicator: 25

Objective 2.3. Each year an additional 10% of Kentucky schools and school districts implement evidence-based CSH strategies.

Indicator: 25

Goal III: Increase the number of schools and districts that integrate effective school-based programs, strategies, and data to reduce priority health risks for school-based youth.

Objective 3.1. By the end of the fiscal year, a CSHP resource guide will be developed.

Indicator: 25

Objective 3.2. By the end of the fiscal year, a CSHP resource guide will be distributed to 75% of local schools, districts, local health departments, and other key stakeholders to strengthen CSHP, especially PANT issues.

Indicators: 6A, 7A, 8A, 9A, 10A, 11A, 12A, 13A, and 16A

Objective 3.3. By the end of the fiscal year, reports on school health policies, YRBS data, and school health programs will be developed for use by CSHP stakeholders (including local schools and HDs, districts, and other key stakeholders).

Indicators: 24 and 25

Objective 3.4. By the end of the fiscal year, reports on school health policies, YRBS data, and school health programs will be distributed for use by CSHP stakeholders (including local schools and HDs, districts, and other key stakeholders).

Indicators: 5C and 16A
